**N. B.** This Office having suffered Impositions and Absolutions by Money and Things of Value said to be sent in Letters, which passing through different Hands before their Delivery, Notice is given, That unless such Letters be left open to be so carried to one of the Five Principal Offices above mentioned, there seen and entered, the Letter-Carrier will no ways be made answerable for their Miscarriage.—From the Distance of the above Places, Letters and Parcels, in order to benefit by the first Delivery, must be put into a Receiving-House before the last Collection of the preceding Evening (which is notified in the printed Label at each Receiving-House) or carried to one of the Five Principal Offices, between all which there being an Hourly Conveyance from Eight o'Clock in the Morning till Eight o'Clock at Night, Letters and Parcels put in at them, but more especially at that in whose District the Place stands, and from whence the Letter-Carrier is dispatched, will be much accelerated in their Delivery both in Town and Country.—The Publick is desired to be very distinct in the Directions of Penny-Post-Letters, particularly to Lodgers, by mentioning their Landlord's Name, or Sign, for want of which many cannot be delivered; and as a Check on the Letter-Carrier, those he returns after Three Days Inquiry will be sent back to the Writers *gratis*, if their Residence can be discovered, that in case the Reason alledged on the Reverse of the Cover does not appear satisfactory, the Writer may have an Opportunity of informing this Office of any Neglect; and to discover any Delay, the Triangular Stamp on all Letters and Parcels, shows the Day they are brought to a Principal Office; and the Round Stamp, the Hour they are given out to the Letter-Carrier.—General-Post-Letters to the Places before mentioned are conveyed by the Second Delivery every Day, and those from the Country are brought to the General-Post Office every Night. Nothing above Four Ounces will be forwarded by this Conveyance, unless passing to or from the General-Post-Office.

It being apprehended that all Miscarriages of Penny-post-Letters are imputed to Negligence in the Office, whereas Directions frequently cannot be made out, especially to Persons in Lodgings, for want of their Landlord's Name, or Sign, as also many Letters are refused on account of paying the second Penny due on Delivery according to Act of Parliament. Now as a Proof of the Attention paid to the Correspondence of the Public, all Letters returned by the Letter Carriers, after Three Days Inquiry, will be sent back, as the inclosed is to the Writer, *gratis*, if his or her Place of
